

Part No.

# QTFT-3SS0-VT

*Male Quick-test x pump with cap and chain, stainless steel, Viton Seals*

Replacement parts for hand pumps, calibration manifolds, nitrogen sources and volume controllers

QTFT-3SS0-VT

## Specs/Attributes

|                           |                                                                  |
|---------------------------|------------------------------------------------------------------|
| Country of origin         | USA                                                              |
| Materials                 | Stainless Steel                                                  |
| Max Operating Temperature | 400 °F / 205 °C                                                  |
| Min Operating Temperature | -15 °F / -26 °C                                                  |
| Seal Materials            | Teflon, Viton                                                    |
| Weight                    | 1.62 oz / 46 grams                                               |
| Dimensions                | H: 1.73 in (4.39 cm) x W: 0.7 in (1.78 cm) x D: 0.7 in (1.78 cm) |
