

Part No.

# QTHA-HSTB-2F

*Male Quick-test run x male Quick-test run x 1/4" female NPT branch tee, brass*

Connect three hoses or a combination of 3 hoses, adapters and hand pumps or manifolds

QTHA-HSTB-2F

## Specs/Attributes

|                           |                                                                    |
|---------------------------|--------------------------------------------------------------------|
| Country of origin         | USA                                                                |
| Has Check Valve           | No                                                                 |
| Materials                 | Brass                                                              |
| Max Operating Temperature | 225 °F / 105 °C                                                    |
| Max Pressure              | 5000 PSI / 350 bar / 35 MPa                                        |
| Max Vacuum                | 0.00 InHg / 0.0 kPa                                                |
| Min Operating Temperature | 0 °F / -18 °C                                                      |
| Seal Materials            | Buna-N                                                             |
| Wrench Size               | 3/4 In<br>19 mm                                                    |
| Connector End 1           | Male Quick-test                                                    |
| Connector End 2           | Male Quick-test                                                    |
| Connector End 3           | 1/4" Female NPT (ASME B1.20.1)                                     |
| Weight                    | 3.49 oz / 99 grams                                                 |
| Dimensions                | H: 1.96 in (4.98 cm) x W: 2.02 in (5.13 cm) x D: 2.22 in (5.64 cm) |
